

## Step by step guide to touching up carriage paint work

**Step 1** - assess damage

**Step 2** - rub down surface to a smooth finish

**Step 3** - apply first coat of red oxide paint. Add a second coat if necessary, rub down between coats.

**Step 4** - apply top coat

**Step 5** - if necessary rub down and apply second coat.

**Step 6** - allow to dry, add polish to protect paint
