Materials

FITTINGS

Stainless steel throughout. Fittings are purpose designed for maximum strength and easy adjustment. The special Zilco "rolling bar" buckle makes adjustment easy and minimises wear.

STRAPPING

Zilco sealed strapping: a core of strong web, sealed within a modern polymer to give the handling qualities of leather. Easily cleaned and tremendously strong.

BEARING SURFACES

Breastplate, girth and breeching linings are hard wearing foam covered in tough synthetic leather.

Saddle is lined with textured waffle linings, soft and easily cleaned.

Safety & Convenience

Tugs/shaft loops (singles) are quick release style

Extra Options & Choices - available all sets

- Classic can be supplied in standard sizes or a mixture of sizes to suit individual horses.
- All individual parts are available separately.
- Detachable colour trim can be fitted to the breastplate and matching coloured browbands can be added to suit marathon colours
- Tilbury tugs are available

Maintenance

Wipe clean, or hose down. Or tub wash in warm soapy water. Hang to dry. Zilco harness always maintains its strength

Carry & Storage Bag

Each horse set is packed in individual black polyester carry bag with ventilation panels.
